Keynote Speaker: **Catalina Miller, Ph.D.** **“Achieving Social Sustainability in our Projects”**

Catalina Miller, Ph.D.

IDEC South Regional Council is proud to present Catalina Miller, Ph.D. as our 2022 South Regional Keynote Speaker.

Dr. Miller received her bachelor’s degree in Architecture from Saint Thomas University in Colombia. Shortly after graduating, she moved to the United States to pursue her Master’s degree in Construction Administration from The University of Oklahoma and a Ph.D. in Civil Engineering with an emphasis on Construction Engineering from Iowa State University. The results of her research, related to Social Impact in Infrastructural projects, were presented and published in national and international conferences and journals.

Dr. Miller’s industry experience included working for Pella Corporation and Lennar Homes. She is currently working at Clemson University, for the Construction Management and Science program as a Lecturer and Communication Coordinator. She is a great advocate for minorities and women in the construction industry.

More information about place and time will be announced soon.
